Seeking the Truth

Seeking the truth of Scripture is paramount with each step of our walk with Christ. Knowing more about Jesus strengthens our relationship, stomps out doubt, and motivates us to love Christ. What does it say about us when we seek the truth?

Acts 17:11 says *These were more fair-minded than those in Thessalonica, in that they received the word with all reading, and searched the Scriptures daily to find out whether these things were so.* Seeking the truth means we are always ready to hear the word of the Lord and desire to make Scripture part of our daily lives!

2 Thessalonians 1:8-9 says *in flaming fire taking vengeance on those who do not know God, and on those who do not obey the gospel of our Lord Jesus Christ. These shall be punished with everlasting destruction from the presence of the Lord and from the glory of His power.* Seeking the truth means we want to know God, we want to obey Jesus, and we do not want to be cut off our Father forever!

Hebrews 3:12-14 says *Beware, brethren, lest there be in any of you an evil heart of unbelief in departing from the living God: but exhort one another daily, while it is called "Today," lest any of you be hardened through the deceitfulness of sin. For we have become partakers of Christ if we hold the beginning of our confidence steadfast to the end.* Seeking the truth displays a soft heart & belief in God while demonstrating our disdain for sin.

Seeking the truth means we gain knowledge, are always in the presence of God, and keeping sin at arm's length. Will you seek the truth today?

Moving the Line

In 1999 a number of Turkish villages were destroyed by a massive earthquake.

Sadly, this could have been avoided.

30 years prior, the villagers had been warned by scientists that certain towns were situated on top of a major fault line.

They were instructed to relocate as soon as possible.

An earthquake could occur at any time.

The leaders convened to discuss the situation.

Their decision was shocking.

They did not demand (or even encourage) the townspeople to move.

Instead, they redrew the geological map and **moved the fault line** so that their villages would no longer be in danger.

Nobody needed to be bothered with the inconveniences and hassles associated with moving.

For 30 years the people had peace of mind.

But then the powerful earthquake hit and villages were destroyed.

They were told the day was coming but they did not want to believe it—they did not want to be inconvenienced.

They paid a heavy price.

May we never be like this!

If we get news we do not like, **we** must change! **We** must move! We cannot just “**move the line.**”

If we compare our lives to the Gospel and discover that we are not living in harmony with the will of God, **we must change.**

“Everyone who hears these words of mine and does not do them will be like a foolish man who built his house on the sand. And the rain fell, and the floods came, and the winds blew and beat against that house, and it fell, and great was the fall of it.” (Matt. 7:26-27)
