

## South Green Street Short-term Counseling Ministry Referral Form

South Green Street has partnered with Dr. Nick and Tiffany Secula to provide short-term professional counseling services to the members of the South Green Street congregation. This program will provide counseling services for up to 8 sessions. If services are needed beyond 8 sessions, referrals may be made for additional counseling services. Counseling slots will be open from 9 am to 1 pm two Mondays a month (the 2<sup>nd</sup> and 4<sup>th</sup> Mondays of each month). That will mean there will be 4 counseling sessions open for Tiffany and 4 for Nick providing a total of up to 8 counseling slots. If requests for counseling services exceed the slots available a waiting list will be implemented. Services will be by appointment only, no walk-ins please.

To request counseling services you will need to contact Nick or Tiffany at their contact information below. Counseling will be provided in one of two private locations at the South Green St church building. If you are financially able, we ask that you pay \$20 per session or more if you are able (either by cash or check). If you are not financially able the costs will be covered. We do not want this to be a hindrance to counseling. This service is provided for members of South Green Street only.

**Please note this counseling ministry will not be able to provide emergency care. If you need emergency care contact your medical provider, visit the emergency room, or call 911.**
